LIVE: BERKSHIRE BATERIA BRAZILIAN DRUMMERS

UPDATES
ON

A fun weekend full of events, all for a great cause!

Charity

Sean's Run Weekend raises money to support: 1) Grants to schools and youth-serving groups across the region to implement programs that combat underage drinking, impaired driving and lax use of seatbelts by teens and, 2) Scholarships to deserving students from the capital region. Since the first Sean's Run in 2002, thanks to the generosity of sponsors, donors and participants, we have given away \$195,506.

In Memory of

Sean Patrick French, the 17-year old Chatham HS junior and record setting runner, killed on January 1, 2002 as a passenger in an under-age drunk driving car crash, for whom **Sean's Law** is named.

Special Victim Dedication

Sean's Run Weekend is dedicated to the memory of Christopher F. Stewart, 17, who was tragically killed on December 1, 2012. He was driving home on the Northway, obeying all the laws, when suddenly, without warning, another vehicle collided with his car. The driver of the other car was intoxicated, high on marijuana, speeding and texting. "Stewz", as he is known to his classmates and friends at Shenendehowa High School, will always be remembered for his outstanding athletic talent in football, love of family, extra helpings of BBQ'd meat and his never ending smile. Christopher is the son of Regina and Michael Stewart and younger brother of Jeremy Stewart.
