A fun weekend full of events, all for a great cause!

Charity

Sean's Run Weekend raises money to support: 1) Grants to schools and youth-serving groups across the region to implement programs that combat underage drinking, impaired driving and lax use of seatbelts by teens and, 2) Scholarships to deserving students from the capital region. Since the first Sean's Run in 2002, thanks to the generosity of sponsors, donors and participants, we have given away **\$232,295**.

In Memory of

Sean Patrick French, the 17-year old Chatham HS junior and record setting runner, killed on January 1, 2002 as a passenger in an underage drunk driving car crash, for whom **Sean's Law** is named.

Special Dedication

Sean's Run Weekend is dedicated to the memory of Paige Alexis Ahearn. A recent graduate of Waterford-Halfmoon High School, she was driving with her boyfriend to Colonie Center on the evening of October 11, 2016 when another vehicle crossed the median on Route 7 and crashed head-on into Paige's car. The other driver was drunk. Paige had celebrated her 18th birthday a few days before. That would be her final birthday celebration – she died in the crash. Paige enjoyed sports and in high school played softball and was the captain of her cheerleading squad. She also served on the student council. She loved animals and was loved by many friends and is missed dearly by her parents Colleen O'Connell, John Ahearn and Shannon Liporace.

 SEE EVENT NEWS AND UPDATES ON FACEBOOK
