The Grand Finale

The Final Sean's Ride

For 8 years we have poured our hearts into producing a premier ride so bicyclists can be part of a very special community event. Now, after 20 years, we will retire Sean's Run Weekend; we have accomplished much good thanks to loyal participants, generous sponsors and donors, and the best volunteers in the world! Thanks to each of you!

A Memorial and Charity Event

In memory of Sean Patrick French, an outstanding Chatham High School athlete killed as a passenger in an underage drunk driving car crash in 2002. Moneys raised support scholarships and grants to schools to fund prevention education.

Not a race

These are self-paced and non-competitive rides. All roads will be open to traffic and bicyclists must obey all traffic laws.

Family friendly

Riders 13 or over are welcomed to participate in the 10-mile or 20-mile ride.

You won't get lost

The routes will be clearly marked and we will provide maps and cue sheets.

We will be there to help

SAG support will be available on the routes until 12:30 PM.
